

itasmart

ABOUT US

ITASMART is a trading company of the main fruit and vegetable products by Sicily. We work in direct contact with local producers, combining a constant growth with the mission of developing the greatest possible specialization for quality and variety of the produce offered, introducing new varieties, innovations and services made to measure for modern retail channels, and company's organizational and management efficiency.

QUALITY

- Application of production process control procedures, with integrated farming protocols and GLOBALGAP
- A staff of technical specialists for assistance to companies
